FEES

Our goal at KCDPC is to provide the best care at the most affordable prices. In achieving this ideal, we are wholly dedicated to providing transparent pricing and can achieve it by operating outside of the world of insurance billing. We provide a whole host of primary care services, longer visits, and offer different forms of communicating with your personal doctor—all this for a flat monthly fee with no per-visit copays. No strings attached; we're here for you.

Though we encourange our patients to retain insurance for the catstrophic, financially devastating healthcare bills, by not billing insurance companies we are able to both save you money and provide fair, transparent pricing. Please email (info@kansascitydirectprimarycare.com) or call us (913-730-0331) if you have any questions about pricing or services.

THLY MEMBERSHIP	Itemized Price	DPC Price
Enrollment Fee	\$0.00	\$75.00 Per billing account
0–17 years of age (with paying guardian membership)	\$0.00	\$30.00
18–25 years of age (with paying guardian membership)	\$0.00	\$45.00
26–64 years of age	\$0.00	\$65.00
And those under the age of 26 without paying guardian membe	rship.	
65+ years of age	\$0.00	\$90.00
Due to federal regulations, we are unable to accept Medicare pa	atients or Medicare-eli	gible patients at this time.
Family	\$0.00	\$140.00
2 adults + children under 18 years old on the same billing accou	unt (limited to 2 genera	ations).

Many other labs are available; please call for pricing. Though we try to keep these prices current and up to date, pricing may change -- please feel free to call with any specific lab pricing questions! Additionally, we can coordinate billing through insurance, if you prefer, though that usually requres collection at an outside facility.

*We use Quest diagnostics as our preferred vendor; LabCorp available under certain circumstances.

Labs Done In-House:

Test Collection Fee	\$50.00	\$0.00

Strep Test	\$15.00	\$15.00
If the result is negative, the swab is sent for culture. See "Culture" unde	er "Labs Sent to C	Dutside Facility" section for pricing.
Flu Test	\$30.00	\$30.00 (Available seasonally)
Pregnancy Test	\$10.00	\$10.00
Urine Testing (Dipstick Urinalysis)	\$15.00	\$0.00
Colon Cancer Screen - iFIT	\$15.00	\$15.00

Radiology:

All radiology is done through local, independent facilities (we couldn't keep our prices as low as they are and have an X-ray machine!). The pricing varies depending on the exam ordered, but our pricing is usually about 10-20% of the usual cost for services. Pricing for any exam will be discussed when it is ordered.

We can submit your insurance with our order, but why would you want us to do that when we've got such great prices for you?
